Subject: Tetra Tech and the Hunters Point Shipyard Radiological Cleanup

Ladies and Gentlemen,

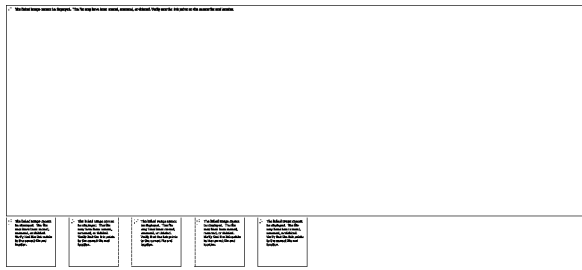

Attached please find a letter on behalf of Greenaction for Health and Environmental Justice concerning our investigation of Tetra Tech EC, Inc.'s fraudulent scanning, sampling and remediation at the Hunter Point Shipyard and the impact of the fraud on the radiological cleanup.

As the letter indicates, we request a meeting with you to discuss the cleanup and community participation in it, in light of the new information our investigation uncovered concerning Tetra Tech's fraud.

Thank you for your attention to this matter. We look forward to hearing from you.

Sincerely,

Steve Castleman
